

Jain Samani Dr. Suyashnidhi

With the blessings of Pujya Gurudev Dr. Shri Padamchandra Ji Maharaj Saheb, She got initiated as Jain Samani on May 15th, 2010 at Mysore, Karnataka and is currently rendering her services to humanity through J.P.P. Ahimsa Research Foundation. She was born in a village of Karnataka, India and raised. She is educated in the field of dentistry, BDS, gold medalist; M.A. in Jainology – Gold medalist; Diploma course in Prakrit, Prakrit Ratna – Bronze medalist All India level; First in the history of Department of Jainology and Prakrits, University of Mysore to receive Junior Research Fellow Award with clearing UGC-NET exam in first attempt; PhD in Jainism – Gold Medalist honored by Governor of Karnataka; now pursuing post doctoral research. She has the ability to speak many languages of India, and due to her perceptiveness and excellence in oration, she can easily connect principles of Jainism – Jinavani easily and it appeals to youngsters rapidly. She is well versed with Jain Anuppeha Dhyan Yog Sadhana, past life regression, Reiki, Pranic healing and other alternative techniques. Thousands of youngsters have benefited with the simple techniques taught by her to enhance memory power, improve one's intelligence and many more. She has conducted hundreds of meditation camps across the world with many one to one sessions with therapeutic results. She also teaches how to attain self-mastery and become an alchemist. She believes that every soul has innate qualities to grow, achieve ultimate goal. Uniqueness in different perspectives is the beauty of each soul to learn the lessons of life through Karma School. She presents her lectures, workshops with a message that Jainism is a way of life – that is simple, easily practicable provided one knows the Truth and complete essence of it.
